

MISSION

Aura is a developer of metals and minerals for a cleaner energy world, while:

- Respecting all our stakeholders
- Listening
- Acting fairly

VISION

To be a responsible global producer of commodities for a clean, decarbonised energy future, while being responsive to the communities in which we operate and creating value for our stakeholders

VALUES

At **Aura, we seek to work together by valuing:**

- **Cooperation**
- **Responsibility**
- **Inclusion**
- **Safety**
- **Integrity**
- **Respect**
- **Diversity**
